

## Bios for Marilyn Lakewood

### 2-line bio:

**Marilyn Lakewood started writing erotic romance “just for fun” several years ago. Today, she’ll laughingly admit she’s obsessed with creating hard-core dominant heroes and happily-ever-after endings. Marilyn lives in the northwest U.S., not too far from the Canadian border where the long, cold winters are perfect writing weather.**

### Medium Bio:

**Marilyn Lakewood started writing erotic romance “just for fun” several years ago. Today, she’ll laughingly admit she’s obsessed with creating hard-core dominant heroes and happily-ever-after endings.**

**Marilyn lives in the northwest U.S., not too far from the Canadian border where the long, cold winters are perfect writing weather. She writes erotic romance because it lets her explore love, passion, and sex, through the lens of different characters and settings. Besides reading and writing romances, she loves music, movies, and taking daily walks with Precious, her rescued dog.**

**Although she imagines traveling to romantic and faraway places, she’s a country girl at heart, and her favorite place is at home with her family.**

### 5 Fun Facts You Didn't Know About Me.

1. I’ve always wanted to be in a movie, as an extra, with no lines to mess up. LOL.
2. If there’s coffee ice cream in the house, I’ll eat it.
3. I confess I’ve said the infamous words: “Beam me up, Scotty.”
4. I absolutely should have one those t-shirts that reads: “Prone to spontaneous outbursts of song.”
5. I’ve learned that some things are totally worth extra time: kindness, love, and reading books.

Good skin care is important too. 😊
